Dear Valued Clients:

2018 marks my 40th anniversary of founding Intercounty Judicial Services. Many changes have occurred during the past 40 years, but my insistence of providing excellent service to my clients has always remained constant.

I would be remiss in not thanking my cherished staff in all of our offices who have consistently and diligently endeavored to provide the services that our clients expect and deserve. All of this would not be possible without the loyalty of you, our valued clients, who have provided us with the utmost privilege of serving your needs.

From my partners, staff and myself, thank you so much. Please be assured that our insistence in providing the best service possible will continue as you all deserve.

With deepest gratitude,

Larry Yellon
